

Timberlane Lodge 2015/16

Fishing 2015

Bigger and Bigger Walleyes

What a wonderful season. We thank all those who joined us

in 2015 and look forward to seeing you in 2016.

Spring 2015

Rob Dickman and group joined us in May of 2015 with a very successful trip. Spring weather was descent making the fish very cooperative.

As we moved into June, the fishing continued to be spectacular. We have some new pictures on our websites,

please take a look. July and August was a very busy time with lots of family trips to Timberlane. It is great to see the younger generations enjoying these amazing fishing trips to Canada.

Bear and Moose Hunts 2015

We had a great and successful season for bear and moose. Our Moose tags for 2016 are already booked. Very exciting news - we may be able to offer Spring Bear hunt for 2016. It has been 15 years since the Ontario government closed spring bear hunt. With this new pilot program – Northwestern Ontario will be allowed to offer a spring bear hunt. Timberlane Lodge has 3 bear management areas with successful hunting every year. Please contact us if you are interested in more information on the Spring Bear Hunt – 1-866-974-3131 or email timberlane@tbaytel.net

Timberlane Lodge is excited for 2016 season – there will be a draw for a free fishing trip to the lodge for season 2017
